

Position: RN, Clinical Lead
Fulltime with Benefits

Prince George Surgery Centre provides surgical and post-op care to orthopedic, cosmetic, and cataract surgery patients in a unique ambulatory surgical environment.

The successful applicant for this position will be responsible for the effective leadership, mentoring, orientation, and nursing functions in the OR and Post Anesthetic Recovery areas while performing clinical work. Administrative duties include patient screening, outcomes tracking, and purchasing of surgical supplies.

Training and Experience include:

- ER, ICU, or Recovery Certification and CRNBC registration, with preference to candidates who are cross-trained to the OR. Experienced surgery nurses motivated to undergo recovery room training will also be considered.
- ACLS certification or ACLS-motivated.
- Excellent organization and time management skills; and proven ability to manage multiple and changing priorities
- Excellent at working on projects and activities that require detail and accuracy
- Strong communication and interpersonal skills
- Proficient in computer technology, such as Microsoft Office Suite

Qualified applicants can send their resume and cover letter by email to drjschmid@pgsurgerycentre.com with subject line "PGSC Clinical Lead".
