

# Health Career Access Program

Lab and Clinical Instructor – Call for expressions of interest

This call for expressions of interest is intended to identify nurses in the NW Health Service Delivery Area who are interested in secondments between Northern Health and Coast Mountain College between the following dates:

- January 15, 2022 to March 25, 2022
- April 1, 2022 to July 17, 2022

The Health Career Access Program (HCAP) is a provincial sponsored training opportunity that provides paid education and on-the-job training to become a Registered Care Aide in British Columbia.

Through this Expression of Interest we are seeking participation in lab and clinical instruction from Registered Nurses, Registered Psychiatric Nurses and Licensed Practical Nurses who hold current BC College of Nurses and Midwives, who live in the Terrace, Kitimat, Smithers and Prince Rupert areas.

## **Expression of Interest (EOI) applicants should have:**

- An interest in and desire to teach adult learners
- Completion of Provincial Instructor Diploma or equivalent education; or previous teaching experience
- Minimum 2 years full time nursing experience working with older adults with complex health needs, experience and orientation in home support, multi level/complex and acute care.
- Current CPR certification and up-to-date immunizations
- Ability to travel within geographical area
- Sponsorship/support from local management or leader

Applications can be submitted to: [hcp@northernhealth.ca](mailto:hcp@northernhealth.ca)

## **Education**

- HCAP program orientation and HCA curriculum are available through Coast Mountain College
